

A very warm welcome to Elgin Golf Club

On behalf of the members of Elgin Golf Club, it is my pleasure to offer you a warm welcome, via our website, to one of the finest inland courses in the North of Scotland.

Situated in the heart of Moray and Speyside, the golf course is kept in immaculate condition by the green-staff and boasts stunning views over the town of Elgin and the Moray coast to the north and the hills stretching to the distant Cairngorm Mountains to the south.

Elgin Golf Club has a long history going way back to 1906 when it was founded in its present location. Whether you are a visiting golfer planning a round or seeking more information about membership I hope that you will find the website both informative and interesting.

Our clubhouse commands superb views over the 18th Green and offers excellent facilities for entertaining, dining and relaxing. Club Manager John Duguid and his friendly staff look forward to taking care of you both before and after your game.

We warmly welcome all members, guests and visitors to Elgin Golf Club. We want you to have an experience you will want again. We hope that you thoroughly enjoy our fabulous course and its excellent facilities.

Best wishes

Ian Savage

Club Captain
